Stock Securities Donation Form

Thank you for your investment in NutritionFacts.org! Please fill out this form and return to your financial broker and to Tommasina Miller, our Director of Operations, tommasina@nutritionfacts.org. Feel free to call her anytime with questions at (240) 560-2780.

The easiest way for you to gift stock or securities to NutritionFacts.org is through an electronic transfer (DTC) from your brokerage account to NutritionFacts.org's account. Please remind your broker to include your name, contact information and special instructions for the transfer. This information is essential for timely acknowledgement. When stocks are transferred electronically, we are informed only of the stock name and the number of shares, not the name of the donor. Failure to share your gift intent with us may delay the gift acknowledgement for tax reporting purposes.

Because each financial institution handles transfers differently, the first step is for you to contact your broker or institution to see how they can transfer stock securities to a Vanguard account. They might need this information: Account name: NutritionFacts.org Inc., Tax ID #05-0559626, Vanguard Account #0506-88057314596.

Please let us know if we can help in any way. Thank you again for your support!
